08/04/23 19:42:42 | Carrillo, Osvaldo | I spoke with Michael and he advised that he had received an e-mail from Ryan. Michael stated that he did not read the e-mail but was agitated with Ryan contacting him. Michael was advised that he needed to reach out to Jasper County and speak with Sheriff Halferty to see if could address this issue about Ryan contacting Michael. Michael understood that there isn't much we could do since Jasper County is a different jurisdiction. Michael was emotional by crying couple times during my interaction with him. Michael was given a card for Faith and he was advised to reach out to her or we could refer her to Michael. Michael was a bit hesitant when we were speaking to him about Faith. Michael was also advised that he could Law Enforcement anytime if he needed help. BWC. 10-8.

08/04/23 23:28:15 | Denny, Emily | received a call from Mark Hellam on the Newton City Council. He stated that he is familiar with Michael Merritt, as he used to live in newton and is known to send convoluted and passionate emails to local officials. Tonight, he received one that had suicidal overtones to it, including that his life is meaningless, and that he intends to take medications and possibly end his life. The email went to Mark around 19:51 tonight, which would have been right after officers left his residence.

08/04/23 23:31:00 | Moore, Matthew | I spoke with Michael who stated that he was just stating facts and airing out his frustrations. He was just trying to make it a point that if he were dead that no one would care but stated that he has no intention of harming himself. Michael also has his best friend staying with him and he was sleeping when we arrived. I advised Michael that if he needed anything to contact us and we would come over.
