Mr. Merritt,

I am happy to meet with you to work on records requests both on how to make the process work better for you and for those responding. I am also happy to go through what the law requires and allows. If you have 100 complaints, then let's work on how to reduce the issues, so you can get the records you are seeking as allowed under Iowa Code chapter 22.

Again, I am happy to meet with you on this, but I would like it to be an open conversation, and I do not consent to being recorded.

Please let me know what time(s) would work for you.

Iowa Public Information Board (IPIB)

IPIB:

I located a scanner with a level of file compression allowing the sending through electronic mail of the 100 plus complaints I sent the IPIB last week. I have a health appointment today and I have been dealing with health issues the last several days. I will have these soft copies and my response to the IPIB's 26 MAR 2024 emails by close of business tomorrow.

Respectfully,

Michael J. Merritt
